The 1990 Gulf Crisis: Political Realism Applied

Political Realism, the industrial approach, was only beneficial for aristocrats, constructivism posits the reciprocal nature of ideas and interests, and Marxism does not blame the individual for being a victim. On the other hand, liberalism aims to solve global financial crisis in the political, governmental and social contexts.

Political Realism and the Crisis of World Politics

The public may be the members of a political party, the Congress or Parliament, a wider national public or members of a coalition. In each case the problem is one of enlisting consent. Sometimes the problem or challenge is so inescapable, as in war, that the public has no alternative but to yield and give support.
