Postcoloniality and the Arti?ce of History
Hi, guys. I completely forgot that we are
extending our discussion of last week's
topic/readings to this week, which means that
I accidentally read ahead. Since I already

Postcolonialism - Making History

Postcoloniality and subaltern studies are

studies done regarding a specific culture

influenced by colonialism but the perspective in which they are done is different.

Postcoloniality study by definition is a

specifically post-modern intellectual

dissertation that consists of reactions to,

and analysis of, the cultural effects of

colonialism.

Postcolonialism What is Postcolonialism and
Why Should We Care? Postcolonialist history
is part of the larger umbrella of
poststructuralist historiography, a type of
historiography based on the idea that
history, or knowledge in general, cannot
reach a single, objective
truth. Postcolonialism is a school of thought
that deals with the effects of colonization
on societies and peoples.

Chapter 1: Postcoloniality and the Artifice of History Summary : This chapter is a reworking of Chakrabarty's programmatic statement on provincializing Europe from 1992. The idea is simple enough: imperialist and third-world histories are written into a narrative of transition, which reproduces European archetypes of political modernity.
