### Best Price Precautionary Politics Principle And Practice ...

The precautionary principle is a strategy for approaching issues of potential harm when extensive scientific knowledge on the matter is lacking. It emphasizes caution, pausing and review before leaping into new innovations that may prove disastrous. The principle is often used by policy makers in situations where there is the possibility of harm from making a certain decision and conclusive evidence is not yet available. For example, a government may decide to limit or restrict the widespread re

### (PDF) Book review: "Precautionary politics – principle and ...

The precautionary principle is, at its simplest, a modern restatement of the classical Hippocratic oath, "I will keep them from harm and injustice," which is often summarized as "first, do no harm." However, the "precautionary principle" is more than a dictum for individual actions; rather, it is intended to guide the behavior of institutions and nations.
