Pretending to be Normal: Living with Asperger's Syndrome ...

Pretending to Be Normal reads like an information-filled memoir, but the real strength of the book can be found in the appendices. There Aspies will find concrete suggestions for dealing with employment issues, sensory perceptions problems, and making conversation. Neurotypicals will find useful points for understanding those on the spectrum.

woman who, after years of self-doubt and self-denial, learned to embrace her Asperger's syndrome traits with thanksgiving and joy.

Download Pretending to be Normal: Living with Asperger's ...

It is important, too, in its description of the life-long pursuit of pretending to be normal (though this seems more typical of female Aspies). I certainly related to that. And Ms. Willey DOES offer excellent coping strategies for dealing with AS handicaps at the end of the book.
