The BA/BSc (Honours) Design and Innovation encourages you to apply the thinking, methods, and techniques you learn to your own context, enabling you to produce a portfolio of highly relevant design work. Additionally, the ability to think critically and responsibly about design problems is greatly valued by a wide range of employers.

Product Design and Innovation -
University of Portsmouth ...

At the heart of the Product Design Innovation course is the belief that its students should be capable of effective and productive critical and creative thinking in equal measures. It is not enough to be able to draw well if there is no thinking; it is not enough to think logically if there is no creativity or imagination.
