Skills, The Duke of Edinburgh's International Award

Sustainable skills development and vocational training is an important tool for any country's social and economic growth. To raise employment among youth, a skill-based training is the need of an hour, enabling young people to make a smooth transition to work.

Sample Proposals on Sustainable Skills and Empowerment Program

When it's time to go to college or take a job, in addition to academic knowledge and vocational skills, students also need those "soft skills," otherwise known as job readiness skills. Soft skills are those characteristics that help you function as an individual (motivation, self-confidence, and flexibility) as well as within a group (teamwork, negotiation, and respect).
