Prosperity Violence The Political Economy
Political economy is the study of production and trade and their relations with law, custom and government; and with the distribution of national income and wealth. As a discipline, political economy originated in moral philosophy, in the 18th century, to explore the administration of states' wealth, with "political" signifying the Greek word polity and "economy" signifying the Greek word ...

Political violence at birth. The first claim is complex in that it takes the form of two kinds of assertions. Sometimes it is claimed that politics in Bengal - led by its 'cultured' caste-elite (the bhadrak) for the most part of its history - had an intrinsic air of sophistication about it that made political violence an anathema. On other occasions, it is argued that the TMC rule has ...
