## ***Rosamund: A Psychic Surveys Companion Novel (Book Three)***

***I have just finished reading Psychic Surveys Book 3 - 44 Gilmore Street - by Shani Struthers, and I have to say this is my favourite so far. My advice is to read the previous two first because there's a back story concerning the investigators themselves; and although each book stands alone you would miss out on their personal journeys, which are largely defined by their line of work.***

***There are also heartwarming and loyal friendship and romance. It's very fascinating to get a glimpse into the professional life and work as well as challenges and rewards of psychic and paranormal surveys and investigations. This book is a degree darker than the previous book in this series. But well worth it. Heartily recommended.***

***Shani Struthers (Author of The Haunting of Highdown Hall)***

***A well written book, with lots of lovely touches of individuality and a great sense of suspense I enjoyed this a lot. I have read a couple the psychic surveys books but I think this really stands alone and acts as a good entryway book too- although be aware the series is contemporary not historical.***
