The shorter quilling paper strips are also in a small cellophane bag, but this type doesn't seal again. In fact, the recommendation on the enclosed instructions suggest keeping the paper inside the bag, but snipping off one end for easy access. I've found that its also a good idea to write the name of the color on the bag for easy reference ...

### Quilling Paper Strips

Place the paper you'd like to cut on your cutting surface. I've taken metallic envelopes apart to use for quilling strips in this way. Align the paper edge with the first marking, then tape the markings in place above and below - ensure they are parallel or else your cutting will be off. Align your ruler to the markings and start cutting away.
