I love this RCA portable DVD player and the picture & sound quality are perfect. The battery life is about 2 hours when playing disks. I don't know what I would do without this thing. Its great for traveling and also for power outages and just nice to have on hand when you want to view something other than what's shown on the family dvd player.

My very first portable DVD player was an RCA I bought for \$600 in 2001, so when I needed to replace some equipment lost in a fire at my office, I went for RCA again. The pricier model didn't have the outputs I needed to connect the player to a projector, so I went for this model, which does have the correct outputs.
