Monster High is about what I would have expected of a paranormal 'monster' book about high school students brought to you by the author of the "Clique" books. It was cute and not very involved. The book wasn't boring but it wasn't groundbreaking or even all that exciting. "Monster High" is a novel based on characters created by Mattel.

Monster High Series by Lisi Harrison - Goodreads

I decided to read this book because I liked the Monster High animated shorts online. If you decide the same thing, be forewarned that the book is nothing like the shorts. I knew this going in, but I still kept trying to force what I knew about the shorts into this book. Having said that, I really liked this book.
