Louis Althusser (Stanford Encyclopedia of Philosophy)

Althusser's earlier works include the influential volume *Reading Capital* (1965), which collects the work of Althusser and his students in an intensive philosophical rereading of Marx's *Capital*. The book reflects on the philosophical status of Marxist theory as "critique of political economy", and on its object.

Louis Pierre Althusser (1918–1990) was one of the most influential Marxist philosophers of the 20 th Century. As they seemed to offer a renewal of Marxist thought as well as to render Marxism philosophically respectable, the claims he advanced in the 1960s about Marxist philosophy were discussed and debated worldwide.
