Regency furniture dates from a small period of time 1811 to 1830, when Prince George the Prince of Wales was Regent. During this era, foreign influence was high in fashion in the design of antique furniture and Inspiration from times of old, with neoclassical and empire styles from Egypt, Greece and Rome. It was the new fashion to commission cabinet makers to copy exact replicas of ancient furniture and even copy early stone furniture, producing them in timbers such as Mahogany.
