A redesign of the manual transmission's cable actuator solved the shift quality issue, while a new Aisin Warner automatic transmission replaced the somewhat unreliable Renault unit which was well known to dump its transmission fluid on the road generally without prior warning. The Series I automatics are probably therefore best avoided second hand.

### Renault Safrane - Wikipedia

The Renault 18 is a large family car produced by French manufacturer Renault between 1978 and 1989, with South American production continuing until 1994. It formed the basis for the closely related Renault Fuego Coupé, with which it shared its floorpan and drivetrain, but with the Fuego initially using the negative offset type front suspension from the larger Renault 20/30, which became ...

### Renault 18 - Wikipedia

The insurance group of a Renault Clio varies depending on the exact model. For example, the 1.2L Renault Clio Expression is in insurance group 7, meaning it will cost less to insure. Is a Renault Clio a good first car? The Renault Clio is one of the most popular first car choices in the UK, as it is affordable and easy to drive.

The heating system in your car works in one of two ways, both of which have a heater matrix at their core. In a water-valve heater, the temperature of the matrix is controlled by the amount of hot water that is sent through it; in an air-blending heater (more common in modern cars), the matrix remains at a constant temperature and warm and cool air are combined as mixing flaps open and close.
