Rethinking Commodification | What is the price of a limb? A child? Ethnicity? Love? In a world that is often ruled by buyers and sellers, those things that are often considered priceless become objects to be marketed and from which to earn a profit.

Margaret Jane Radin - Wikipedia

Commodification (beginning early 1950s) is used to describe the process by which something which does not have an economic value is assigned a value and hence how market values can replace other social values. It describes a modification of relationships, formerly untainted by commerce, into commercial relationships in everyday use.
