Book Review - Revolutionary Women: A Book of Stencils

The story of one of the most famous revolutionary women, Betsy Ross, is likely just that - a story. Ross is often credited with sewing the first American flag, thirteen red and white stripes with thirteen stars in a field of blue in the corner. Subsequent research, however, shows that the story only surfaced around the Centennial, 1876, and was ...

Revolutionary Women: A Book of Stencils: Queen of the ...

this book, originally a zine, is made up of concise descriptions of revolutionary women. Some are unionists, while others are eco-feminists, anti fascists, education activists, guerillas, authors, anarchists, socialists, and a mixture of many more. the point of the book is to show a global representation of not perfect women but, women who fought and pioneered for universal rights.

Women in the American Revolution | American Battlefield Trust

This is a desert island book, whichever way you look at it. It gives you a historical perspective as to how and why women have been sidelined, along with black women, black men, and anyone else who gets in the way of the archetypal White Christian Male ethos, which is often brutally limiting and personally limited.
