Remember Rick Torbett was a Math teacher also. He has put together this Read and React like you would teach math... $1+1=2$, $1+2=3$, or even $1+1+1=3$ etc. that is how I explain this system to my players and others. Later you teach $10-X=9$, what is the value of X? That still is very easy if taught at the right stage of learning.

Better Basketball | What is the Read and React Offense?

Without the Reaction Habits, there is no Read & React Offense and understanding it is not good enough, each player has to internalize the habits – the drills are the quickest way to do that. If you chose 10 drills covering the layers you were working on and spent 90 seconds on each, that would be the first 15 minutes of practice.
