## RIFT (PC) Leveling Guide - Defiants and Guardians (1 - 50)

The first leveling guide for Rift I came across is Killerguides Rift Leveling Guide. It's overall a decent guide, but in my opinion needs some additional work to be great. However, considering that their guide is in "beta" just like the game, I do think it's worth getting as it will receive many updates in the coming days and weeks.

## [Rift] How to Level from 60 to 65 Guide

Rift Leveling Guide. There are many different ways for players to level up in Rift. The main way and most common is to do all of the quests throughout the game. You can do this solo and it is a steady leveling pace throughout the entire game. It also is the slowest way to level in my opinion.

rift - Fastest method of leveling 50-60? - Arqade

I think anybody that have played Rift and done the level 50 to 60 can agree that it is far to long and almost forced to do either IA, PvP or dungeons or you won't get enough exp. compared to zone progression. What I fear is that Trion world isn't going to change this, and with the F2P coming up I fear that a lot of people will hit this wall and just give up after spending 20 hours and be 1 ...
