rigging practices provided by this guide will help these workers: • Prevent rigging/lifting related injuries; • Prevent damage to equipment, materials and property; and • Perform their rigging responsibilities more effectively. This guide is intended to help the user include safety in the planning and actual practice

J24 Rigging Guide | SailingForums.com
Having spent some time on 505's, I know I can rig the boats but would like to stay within class rules and best practises but there seem to be no rigging guides out there. Even on the NA class forum, there were people asking the same question (how do I rig the boat) but the only response was to go look a a couple of pictures.
