## **The Definition of Falling Action in Literature**

Definition of Falling Action Falling action occurs right after the climax, when the main problem of the story resolves. It is one of the elements of the plot of the story, the other elements being exposition, rising action, climax, and resolution. Falling action wraps up the narrative, resolves its loose ends, and leads toward the closure.

## **Rising Action Climax Falling And**

Rising action, climax and falling action are the story as it happens. The main characters decide — or are forced — to act. Things happen to them or they make things happen. That's rising action. As a result, something momentous happens and they usually aren't sure they will survive or overcome but they do. That's the climax.
