are keeping a keen eye on how large corporations are managing and responding to risk failures so they can avoid the same mistakes.

Risk Taking: A Corporate Governance Perspective

1. Introduction. Studies on corporate governance reform (CGR) show that it discourages corporate risk-taking. These findings, which are primarily based on the experience of adopting the Sarbanes-Oxley Act (SOX) in the US, suggest that CGR that expands the personal liability of decision-makers for non-compliance increases the compliance burden, shrinks managerial flexibility, and discourages ...
