Mueller: A Journey to the Dark Side – NewsWars

The Dark Side of Camelot is a character study of the Kennedy Administration. The author concludes because JFK was lying womanizer, he was also a bad President. I personally think Kennedy was an ok President. His importance has less to do with what he did as President and more to do with the impact his Presidency has had on the world.

Keeley Electronics Dark Side

Robert Johnson believes that the more the bright side is expanded, in self and community, the more the opposite of it, the dark shadow expands. as I went quick on this book, but I think it is is not bad in describing the way of dealing with the shadow based on Jungian psychology.
