**The seller did everything  
right. The book arrived on  
time as expected. However,  
the book is terrible. The  
problems do not line up with  
the text. Also, if you want the  
book for calculus 3 the  
solutions manual only goes  
through chapter 12. The Calc  
text goes to chapter 18. I sent  
it back and will be getting a  
full refund.**
