RotMG pet abilities can be improved by feeding items to the pet; the feed power (FP) of the items are then applied towards the pet ' s abilities, improving them through “ level-ups ” . Once suitably improved, two pets of the same tier can be fused together to create a pet of the next-higher tier (Common to Uncommon to Rare to Legendary to Divine).

Items may be fed to pets in the Pet Yard to increase the levels of their abilities. Almost all items have a feed power value, which is displayed in the item description. The amount of feed power required to increase the level of an ability varies depending on the current level of the ability (see Pet Abilities).. Feed power generally increases with the tier of the item, and many untiered items ...
