Having played several games now, I have really taken to the Blucher rules. Like so many sets by Sam Mustafa, they are deceptively simple: even small rules elements can have an important effect on play. After years of loyalty to Napoleon's Battles for Corps/Army level games, I have, I think, shifted to Blucher.

A miniatures rule set for recreating Napoleonic battles. Supplemental rules also provide for recreating Seven Years War battles. Units are infantry battalions, cavalry regiments and artillery batteries. Infantry units with flank and rear support receive benefits in melee, which encourages Napoleonic linear tactics. Rules support large-scale battles well and the SYW supplement also works very well.
