Learn About the Lydiard Method – Marathon Distance Running ...

I guess this post best explains my method of analysis here, what it means to connect running and philosophy. Philosophy: I have a Ph.D. in philosophy from Vanderbilt University.My primary interests philosophically are in philosophy of education, social and political philosophy, and ethics. The professional practice of philosophy is somewhat obsessed with categorizing philosophy into types ...

"With equal measures of scholarship and soul, the essays in Running and Philosophy: A Marathon for the Mind, edited by Michael W. Austin, touch on religion, pain, happiness, and other topics that are best explored on a long run. With a pack of philosophers."

Running and Philosophy A Marathon for the Mind 1st edition ...

Back in my post college competition days, I discovered a book called "Running to The Top" by Arthur Lydiard. I read it cover to cover and by implementing the Lydiard principles over two 24-week cycles I was able to achieve a personal best marathon in the fall of 1980, running 2:21:07.

Why Running and Philosophy? - The Logic of Long Distance

The Run/Walk Philosophy – The Progression Since 1994, we've offered training programs from track races and 5k's to marathons. In those earlier years, we did no walk breaks. Then, from 1999 through mid-2006, GFR offered marathon training clinics in association with Jeff Galloway's Training Program out of Atlanta, GA.

Running and Philosophy: A Marathon for the Mind | General ...

I do not recommend this book. To fully like this book the reader must be, or at least experience running for a couple of years at least. In addition to knowing how is to be a runner, the reader must like philosophy, but not only liked it, understand all of the concepts in the book. A non-runner ...
