Savage Worlds Horror Companion

I love Savage Worlds, it is a great System. Most of the book is easy to understand and running a game in Savage Worlds is a lot easier then some other systems. Easy to make Charcters. The Horror Companion is great, as all the things that go

bump in the night and it has added some great Edges and Hinderances to add to the Base game.

...the fact the base Savage Worlds Explorer's addition has a strong pulp focus means the Horror Companion (which covers similar territory) adds very little to the base game. The expanded Sanity table and the extended bestiary would be the prime reason to get this.

Review - The Savage Worlds Horror Companion

Most Savage Worlds feature horrific elements of some sort—from a zombie apocalypse to alien-infested starships to the grim prairie tales of Deadlands®. This book shines a flickering lantern into the darkest recesses of those worlds, granting players and Game Masters alike more options and ideas to expand the
