Schiffrin, D. (1994). *Approaches to Discourse*. Blackwell ...

Grounding each of the six approaches in the philosophical and disciplinary contexts from which it emerged, Schiffrin shows that no single approach can typify, let alone exhaustively characterize, multisentential segments [End Page 396] of language. Rather, the approaches are good for highlighting different—and differently salient—properties of discourse.

Approaches to Discourse: Language as Social Interaction ...

In Memoriam: Deborah Schiffrin. In her second book, *Approaches to Discourse*, she showed how different branches of discourse analysis approach the study of conversation. It immediately became and remains a foundational text in the field.

Conversation Analysis & Discourse Analysis

Discourse analysis, which includes examination of both form and function, is able to penetrate the tacit knowledge and use of formal structure in order to explore both the technical workings of discourse (for instance, as speech acts), and the cognitive, psychological, emotional, influential, or other aspects of discourse.

SCHIFFRIN, *Approaches to Discourse*.

Deborah Schiffrin has provided a very useful addition to the study of discourse for students who might feel overwhelmed by the various - often mutually exclusive - approaches. The book starts with a well presented look at different definitions of Discourse - essential if we are to establish the relevance of competing methods.
