Schleich Western Riding Set:  
Amazon.co.uk: Toys & Games  
My daughters are obsessed with Schleich  
horses and when I found this I knew I had  
to get it for Xmas. It said that the horse  
detached and I thought that was a cool  
idea. It's a cute toy but there are too many  
detachable pieces. The saddle and reins  
come off, the side pieces that hold it to the  
carriage come off, the rider comes off.
