Lusus naturae, also known as custodians (though custodian just refers to the role), are the Hivebent equivalents to a Guardian. They look after the young trolls while the adults besiege other star systems in the name of Alternian glory. It is also observed that a trolls' gender matches that of their lusus. The Latin lusus naturae means "freak of nature". In Latin, the plural of "lusus" is ...

How do we estimate the global volume of ice? Sea level equivalents. The IPCC and other outlets frequently indicate how much sea levels will rise under given climate change scenarios (mm sea level rise) [1]. Other times, you might see that such and such volume of ice (km 3) is equivalent to so many millimetres of sea level rise (sea level equivalent (SLE): the amount of sea level rise on full ...
