In the 'second wave' of critical thinking, as defined by Kerry S. Walters, many authors moved away from the logocentric mode of critical thinking that the 'first wave' privileged, especially in institutions of higher learning. Scholars began to take a more inclusive view of what constituted critical thinking, but rationality and logic are still widely accepted in many circles as the primary examples of critical thinking.

Second thoughts : critical thinking from a multicultural ...

Second Thoughts is a collection of papers on Schizophrenia, Linking and Thinking, and his commentary upon them in the light of later work. Originally composed between 1950 and 1962, it derives its title from the lengthy critical commentary which Bion attached to these case histories in the year of publication, 1967, and represents the evolutionary change of position marked in his three ...
