The first full-color composition reader truly to reflect visual culture, Seeing & Writing is based on a simple principle: Careful seeing leads to effective writing. Students actively and critically see the details of each verbal and visual text, think about its composition and the cultural context within which it operates, and then write thoughtfully and convincingly about it.

RE: Seeing Writing On The Walls - by Chris Gibson - Sunderland UK Here is the short version of my seeing writing on the walls. One night I had a profound experience. My relatives were coming over from Germany. My best friend Robert and I were excitedly reading a German dictionary for several hours.
