Seeing Voices - Wikipedia

Seeing Voices is a journey: a journey first into the history of deaf people, the (often outrageous) ways in which they were seen and treated in the past, and the new understanding that started to dawn in the eighteenth century; and a journey into the present situation of the deaf—a situation which, all too often, is still one of misunderstanding and mistreatment.Dr. Sacks writes of how he has ...

Seeing Voices A Journey Into

Seeing Voices is a fascinating voyage into a strange and wonderful land, and along the way Oliver Sacks ponders the nature of talking and teaching, child development, the development and functioning of the nervous system, the formation of communities, worlds, and cultures, and the interface of language, biology, and culture.
