### SELF AND SOCIETY

According to Self, Symbols, & Society, Cooley's theory is notable because it suggests that self-concept is built not in solitude, but rather within social settings. In this way, society and individuals are not separate, but rather two complementary aspects of the same phenomenon.

Amazon.com: Customer reviews: *Self, Symbols, and Society* ... In this captivating book Anthony Synnott explores a subject which has been woefully ignored: our bodies. He surveys the history of thinking about the body and the senses, then focuses on specific themes: gender, beauty, the face, hair, touch, smell and sight. He concludes with a review of classical and contemporary theories of the body and the senses.
