Free ServSafe Practice Test - Premier Food Safety
Food service establishments as defined in Section 381.0072, Florida Statutes, are required to meet

manager certification requirements, unless otherwise exempted. All establishments required to have a certified food manager shall designate, in writing, the food service manager or managers for each location.

WSQ Apply Food Safety Management Systems for Food Service ...

To ensure food service establishments follow food safety training best practices, most states passed laws requiring that at least one employee is a Certified Food Protection Manager. Even if it's not required by state law, most employers need to have someone with managerial duties on-premises who understands HACCP guidelines.
