Shadows Of Your Mind

It creeps up on me out from the shadows of my mind. I hate to sound like some cheesy novel but it's true. Whatever I have going on deep inside myself, I do my best to ignore and most days, everything is good but when it hits, when this sudden rush of negative energy comes by, it's like a wave of depression.

Shadows of the Mind Roger Penrose. This book attempts to take a firm grip on a corner of the slippery issue of consciousness. It is directly related to Roger Penrose's earlier, hugely successful work, The Emperor's New Mind. Although much space is devoted to painstaking replies to the criticisms made of the earlier book, this is not simply a sequel.
