The shaman needs to do this, both to be authentic, and also to use methods you can relate to. In this sense, a shaman is always contemporary to the culture she is living in.

Shamanism: Traditional and Contemporary Approaches to the ...
I refer to what I do as contemporary shamanism, as opposed to the traditional methods of indigenous peoples currently practicing. Those indigenous methods seem to be the approach a lot of people prefer, taking those indigenous practices and trying to reapply them to the current state of reality.

Contemporary Shamanism | Shamanism | Contemporary Shamanism
If they are living within a shamanic culture, shamanic healing is typically part of a multidisciplinary approach used for any disease or imbalance, in partnership with physical healers, botanical medicines, changes in diet, and other therapies. In contemporary western society, shamanic healing is unfamiliar to most non-indigenous individuals.
