Shark attack victims recall amazing tales of survival

John Bantin's new book Shark Bytes spans the many years of his own shark diving with a very wide variety of sharks and is grounded in the common-sense approach of a serious veteran diver. Thankfully, indeed refreshingly in this age of narcissists and social media, there is none of that ghastrly look-at-me-posing-with-sharks approach as he clearly enjoys the thrill of shark diving for its own sake.
