In Shiver, Grace and Sam found each other. Now, in Linger, they must fight to be together. Add to the mix a new wolf named Cole, and Isabelle, ... I did love the book and the second one "Linger" but I hope that they don't make the same mistake as in the first one.

Shiver is more introspective than most YA books and is sometimes criticized for being too slow or wordy, but I found it to be beautifully written, tragic, and a gorgeous take on werewolf lore. Sam's desperate struggle to hold onto his humanity is incredibly poignant, and his heartrending relationship with Grace is deeply emotional and sweet.
