Search only subscribed channels in YouTube - Web ...

Hi I don't really know how to explain this but I would like to make it so that the guide shows only the channels that are in hd and only the ones which are in sd. For example, right now my channels are double because I have Cartoon Network in hd and in sd which makes it annoying when you search the guide. Can you change it so that it only shows the channels which are hd and the ones which are sd?

Show Subscribed Channels Only On
