Sisters of the Somme : Penny Starns : 9780750961622

Synopsis. Despite her training, however, Lily and the young friends she was to make at the Somme were ill-prepared for the stench of gangrene and trench foot. Isolated as they were from friends and family at home, they forged new and close relationships with one another, establishing a camaraderie that was to last the entire war...

based in France. It is the world's first contemplative community to welcome those with Down syndrome into the consecrated life.

Book Review - Sisters of the Somme - Centenary News

With First World War casualties mounting, there was an appeal for volunteers to train as front-line medical staff. Many women heeded the call: some responding to a vocational or religious calling, others following a sweetheart to the front, and some carried away on the jingoistic patriotism that gripped the nation in 1914.
