In the 16th century, England experienced economic and population growth that resulted in comfortable lifestyles for the noble and middle working class, but difficult lifestyles for the poor, lower class farmers. The economic industries available to the working population were varied, creating a wide chasm between the social classes.

The History of England » 16th century
Unit 1 - The Church of England in the Sixteenth Century The Church of England might eventually have come into being because the Church in England had long been idiosyncratic-distant from Rome and from the mainstream of Roman Catholicism, dominated by wealthy laymen, occasionally subject to civil courts, full of financially and sometimes intellectually independent clerics.

16th century - Wikipedia
The shape of the future Britain was created in the 16th Century. During this 16th century, Britain cut adrift from the Catholic church, carving out a new national church, the Church of England, with the monarch as it's supreme head. The actions of King Henry VIII resulted in the 'Act of Supremacy' and Roman Catholicism was banned.

LIFE IN 16th CENTURY ENGLAND - Local Histories
Clothing in 16th Century Tudor England November 17, 2016 by Rebecca Larson 16 Comments When we think of the Tudor wardrobe we often look at it fondly wishing we could wear those beautiful dresses, when in all reality if worn today we ' d look fantastic but we ' d probably be annoyed with the amount of time it took to not only get dressed but also undressed when we consider themultiple layers.

Clothing in 16th Century Tudor England — Tudors Dynasty
The English Reformation took place in 16th-century England when the Church of England broke away from the authority of the Pope and the Roman Catholic Church.These events were, in part, associated with the wider European Protestant Reformation, a religious and political movement that affected the practice of Christianity in western and central Europe.
