A cozy timber home is the perfect option for those looking to downsize for retirement, save money on utilities, or own a low-maintenance second house. Only you can decide how much house you need, but once you've got the square footage figured out, sit back and explore some great ways to make your cozy timber house feel like home.

Small and Smart Interiors book by Andreu, D

As more smart homes come onto the scene, keeping up with relevant technology and interior design trends is quite the large task. Although some of these tech devices are far from what we would ordinarily consider beautiful contributions to an interior design layout, we have come across some gadgets and functional decorating ideas that can make designing your smart home positively genius, while ...
