the traditional mixed use neighborhood. “It was the abandonment of this model in favor of novelties that led to the current crises — ecological, economic, and social — that make the smart growth campaign necessary,” the authors observe.

***This Is Smart Growth - US EPA
A book has now been published that could bridge the gap between the New Urbanists and the Contemporaries. It's called The Smart Growth Manual. The three authors are associated with New Urbanism: Andres Duany, one of the founders of New Urbanism and one of its most provocative thinkers, and two planners who have worked with Duany, Jeff Speck and Mike Lydon.***
