Social Marketing Changing Behaviors for Good 5th edition ... Perhaps social marketing's principal contribution to social change is the notion that voluntary human behavior is achieved through exchange of value. It argues that people change not only because they are well informed or forced into action, but also because they get something they value in return.

Social Marketing: Changing Behaviors for Good | SAGE Companion

For social marketing, the "product" is a certain behavior you are trying to change. It might be ending child abuse and neglect, or stopping people from committing suicide, or convincing people to not throw trash on the ground--or any other behavior that members of your community want to modify.
