[PDF] Sociological Theories of Crime and Delinquency ...
Sociologists who study deviance and crime examine cultural norms, how they change over time, how they are enforced, and what happens to individuals and societies when norms are broken. Deviance and social norms vary among societies, communities, and times, and often sociologists are interested in why these differences exist and how these differences impact the individuals and groups in those ...

Crime & Delinquency: SAGE Journals

Abstract. The sociological study of crime and delinquency has focused either on the social structural factors (e.g., poverty and social disorganization) believed to generate such behavior or on the arenas (e.g., family, school, and peer groups) in which socialization to conventional or criminal values and behavior are affected.

Delinquency and Drift (Matza) | SozTheo

Subcultural Theory: The Basics. A Subculture is a group that has values that are different to the mainstream culture.

Subcultural theorists argue that deviance is the result of whole groups breaking off from society who have deviant values (subcultures) and deviance is a result of these individuals conforming to the values and norms of the subculture to which they belong.
