A contemporary of Durkheim argues that since the first principles of economics are hypothesis they can be tested only by a sociological enquiry. In recent times Parsons and Smelser attempted to show that economic theory is a part of the general sociological theory.

Code of Ethics | American Sociological Association

The sociology of law (or legal sociology) is often described as a sub-discipline of sociology or an interdisciplinary approach within legal studies. Some see sociology of law as belonging "necessarily" to the field of sociology, but others tend to consider it a field of research caught up between the disciplines of law and sociology.
