It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

CASE STUDY FINANCIAL MANAGEMENT

This textbook had its shiny moments in my financial management MBA course. It is wide-ranging, as most textbooks are, but it has a great way of incorporating global business concepts. Comparing it to other textbooks in the space is hard (haven't read too many of them) but the book's value versus cost is substantial.
