User Guide V1.4 For Soundcraft Si Impact Console

I recently used the SoundCraft 400B and I cant believe how loud and clean it is. I am running B1520 speakers and I am very impressed with Behringer. I have owned Yamaha speakers in the past, and they dont even come close to sounding as good as this system. I was concerned about buying powered mixers ...

Soundcraft - Professional Audio Mixers

Hot on the heels of the 400B, the 800B was launched in early 1984 to replace the ageing 800. This time it was decided to split the applications and market two separate products to the recording and live industries, the 800B being the live version and the Series 1600, launched later that year, covering the recording side.
