retrofuturistic technology and aesthetics inspired by 19th-century industrial steam-powered machinery. Steampunk works are often set in an alternative history of the Victorian era or the American "Wild West", where steam power remains in mainstream use, or in a fantasy world that similarly employs steam power.

Contemporary color blocking adds an art deco touch to a desk lamp. A rustic table lamp with a leather-trimmed shade fits perfectly in a room with a western theme while providing soft light. A polished nickel gooseneck lamp paired with a matching floor lamp adds bright light and sleek style to an office.
